Partnership End State: An institutionalized mindset that continuously assesses mission requirements for potential partnership opportunities to improve Army readiness.

Program Objectives

1. Policy and Guidance

- OBJ 1-1 – EXORDs replaced with policy addressing both private and public partnerships
- OBJ 1-2 – Universal payment methodologies established
- OBJ 1-3 – Continual review of needed legislative changes
- OBJ 1-4 – Train/Educate key Army leaders

2. Sustain Resource Support

- OBJ 2-1 – Review current Army standards which drive requirements and identify gaps for potential partnership opportunities
- OBJ 2-3 – Refine Army Strategy for Community Partnering.
- OBJ 2-3 – Identify any requirement for support necessary to implement partnerships
- OBJ 2-4 – Integrate requirements into the POM

3. Report & Oversight

- OBJ 3-1 – Annual report to OACSIM from Commands identifying all partnership agreements signed
- OBJ 3-2 – Commands submit biannual IGSA report to demonstrate progress to ASA (IE&E)
- OBJ 3-3 – Establish business rules for oversight action

4. Active Public Affairs Plan

- OBJ 4-1 – Establish a community partnership annual awards program for installation and community leaders for innovative and/or cost effective partnerships. Award recommendations from Annual Partnership Selection Committee
- OBJ 4-2 Media coverage of new partnerships
- OBJ 4-3 Routine use of website by public and private entities
- OBJ 4-3 – Annual Partnership Selection Committee

Foundational

Integrated and synchronized actions at every echelon, led by stakeholders at HQDA (including small business, procurement, legal), will ensure maximum use of NDAA FY13 and FY15 authority
