(2) The contract will be carried out on a Government-owned but privately operated installation;

(3) The contract (or renewal of a contract) is for the performance of a function under contract on September 24, 1983; or

(4) The contract—

(i) Is for the performance of firefighting functions;

(ii) Is for a period of 1 year or less; and

(iii) Covers only the performance of firefighting functions that, in the absence of the contract, would have to be performed by members of the armed forces who are not readily available to perform such functions by reason of a deployment.
