**SUBJECT: Delegation of Authority to Approve Intergovernmental Support Agreements
Entered Into Pursuant to 10 U.S.C. § 2679**

1. You are hereby delegated the authority to enter into Intergovernmental Support Agreements (IGSA) with State and local governments to provide, receive, or share installation-support services pursuant to 10 U.S.C. Section 2679 with an annual value not to exceed \$250,000. You may authorize the use of an IGSA upon your determination that an IGSA will serve the best interests of the Army by enhancing mission effectiveness or creating efficiencies or economies of scale, including the reduction of cost(s), in a manner that benefits the Army.
2. Although not a limitation on your authority to act on my behalf, in those cases where a proposed decision to enter into an IGSA represents a change in precedent or policy; is of significant White House, Congressional, Department or public interest; or has been, or should be, of interest or concern to me, you will brief me prior to any decision to exercise the authority I have delegated unless exigencies preclude such action.
3. HQDA Execution Order 200-16 (dated June 2016) provides details to enter into and record IGSA's. This delegation is effective immediately.
